

CREATING SUSTAINABLE CAREER DEVELOPMENT,
LEARNING AND LEADERSHIP

EMPOWERING WOMEN TO MAKE AN IMPACT

At Learnage, we believe that engaging your women workforce, be it freshers or leaders, is a transformative process.

Our aim is to provide them with knowledge, tools and techniques that enable them to take hold of their careers and enjoy significantly better performance.

What we offer:

- Periodic needs assessment on learning and development
- Custom-made modules - 1-day workshops to longer-term engagement programs
- 1:1 mentoring sessions, peer networks, opportunities and resources
- Facilitators and training experts with industry experience
- Quality Standards in Training for Gender Equality
- Technical assistance: content development, design, implementation, documentation, evaluation, and participatory methodologies to develop courses and training resources
